CONFIDENTIAL

Full-Time Christian Ministry Application

The School board would like to encourage families involved in full-time Christian ministries to enroll their children at Cook Inlet Academy. Many times this is not possible for financial reasons. To qualify for a discount of any amount (to be determined by the board after reviewing application) this application must be filled out and parents need to be willing to volunteer at the school throughout the year. This is something we require of all parents who have their children enrolled at CIA.

Each scholarship award is for one year only and must be renewed each year. However, if the full-time Christian ministry work is terminated, concluded or changed in any way, the school administration must be notified. If the applicant is no longer involved in Christian ministry during the school year, the scholarship/discount will be discontinued at the semester break, and full tuition will be charged.

Name _____ Date _____

Address _____

Home Phone _____ Work Phone _____ Cell Phone _____

Email: _____

Student names:

I am applying to the school board of Cook Inlet Academy to be considered in their scholarship program. The information on this application is true to the best of my knowledge. I realize that I must be in full-time Christian ministry. I further realize that I must be willing to be involved in volunteering on a regular basis at CIA throughout the school year.

The Board would like to have it understood by the applicant that there is no scholarship fund. These discounts affect the budget of the school and the salaries of the teachers. The Board takes this responsibility seriously and desires to balance the need for children to be educated under God's leadership, and the needs also of God's servants serving at Cook Inlet Academy.
